Beside these bags, you need a Click & Lock bracket

You can choose the bag you prefer, You can choose the position of the bags on your bike

CS53 universal saddlebag with lockable click system

Dimensions : 52cm x 32x 16,5

Capacity : 50L/set

Material :

Buffalo full grain leather;

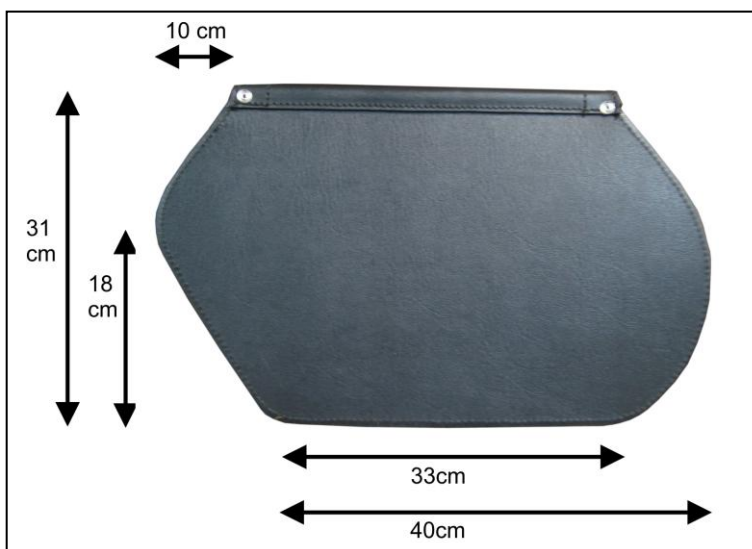

PE reinforcements at the inside;

Backside of the bags in HDPE.

The CS4 saddlebags are completely reinforced in all critical points, they will hold their shape and attractive finish for a long time.

Flap has doubled edges for a luxury look. Side flaps with velcro give maximum protection against the rain.

We advise this bag for Kawasaki VN900, Suzuki C800/C50, M1500/M90, C1800/C109R, Yamaha XVS1100/1300/1600, XVS1300/950A, XV1900, Triumph Rocket, Harley Softails etc

When you choose the saddlebag, you prefer, be sure that :

- The saddlebag doesn't touch the winkers;
- The saddlebag doesn't touch the shock absorbers;
- There is at least 8 cm between bag and exhausts.
