Harley Dyna models (<2006) , Honda VT1100C2, F6, Kawasaki VN1500/1600 Mean Streak, Suzuki VS800 Marauder, M800/M50, VZ1300 Marauder, M1800R/M109R, Yamaha Drag / V-Star 125, 1100, Road/Wild Star 1600, etc.

You can of course use this bag on other bikes**.

CS47 saddlebag

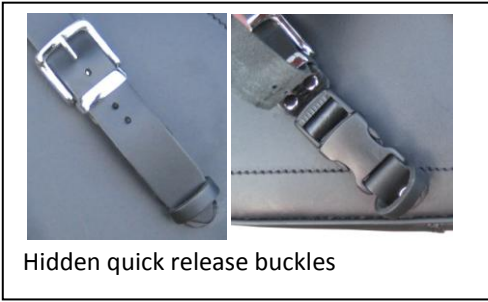

A set of lockable clicksystems is supplied with the bags.

* There are no pre-drilled holes in the backside of the bags, so you can customize the position of the bags.

** When you choose the saddlebag, you prefer, be sure that :

- The saddlebag doesn't touch the wipers
- The saddlebag doesn't touch the shock absorbers;
- There is at least 8 cm between bag and exhausts.

The CS4 saddlebags are completely reinforced in all critical points, they will hold their shape and attractive finish for a long time.
